MOORE'S CREEK CABERNET SAUVIGNON

Winemaker's Notes A blend of selected parcels of fruit sourced from Australia's premium regions. The fruit was fermented in stainless steel potter tanks with regular pumping over to ensure optimum colour, tannin and extraction. After fermentation the wine was matured in a mixture of French and American oak before being bottled.

*"the first to release
On-Premise
only wines to the
Australian market"*

Tasting Notes Aromas of black cherries, wild berries and some spice. A full bodied red, its palate is intense and rich with dark plum and firm tannins.

Serving Suggestion The aromas and colour hint at the intensity of this wine. A full-bodied red, that will make it an ideal accompaniment to red meats and aged cheeses.

THE STORY OF THE MOORE'S CREEK RANGE

Tyrrell's were the first to release On-Premise only wines to the Australian market over 20 years ago. Today, this range has been developed to provide a premium On-Premise offering, with a range of popular taste profiles that are designed to match a vast array of cuisines and food styles.

Our Moore's Creek wine range takes its name from the spring-fed creek that runs from the Brokenback Range and through our HVD (Hunter Valley Distillery) and Penfoldvale vineyards.
