

TYRRELL'S WINES

Australian Family Owned Since 1858

MOORE'S CREEK SAUVIGNON BLANC

Winemaker's Notes This popular varietal is sourced from a number of premium grape growing regions around south eastern Australia. The grapes were crushed in their respective regions before the being brought to the Hunter Valley where the wines were fermented. Following a cool fermentation in stainless steel vessels using aromatic yeasts to maximize the grape's fragrant qualities, the wine was quickly filtered and blended to retain its fresh sherbet fruit flavours.

Tasting Notes The colour is pale with a lime green hue. Pungent and herbaceous aromas dominate the nose with lovely passionfruit overtones. The wine has good length of flavour and ends with a fresh, zesty finish.

Serving Suggestion Serve slightly chilled. Delicious with seafood, this wine is suited to a vast array of dishes or simply by itself.

THE STORY OF THE MOORE'S CREEK RANGE

Tyrrell's were the first to release On-Premise only wines to the Australian market over 20 years ago. Today, this range has been developed to provide a premium On-Premise offering, with a range of popular taste profiles that are designed to match a vast array of cuisines and food styles.

Our Moore's Creek wine range takes its name from the spring-fed creek that runs from the Brokenback Range and through our HVD (Hunter Valley Distillery) and Penfoldvale vineyards.
