HUNTER VALLEY SHIRAZ 2015

Vintage Conditions The growing season for the 2015 vintage saw a dry winter and spring which was broken by good rains in early December. Moderate summer temperatures and some rain at vintage delayed ripening slightly and the reds were picked about one week later than the year before.

Winemaker's Notes Sourced from a small selection of our favourite Shiraz blocks, the grapes were both hand and machine picked before fermentation in the traditional open top vats. The wine was then matured in older, large format French oak casks. These 2,700 litre casks highlight the fruit purity whilst making sure that oak isn't the dominant character.

*“The ‘baby brother’
to our famous
Vat 9 Shiraz”*

Tasting Notes A youthful nose showing bright red summer fruits. The palate is a continuation of this in the red fruit spectrum which is wonderfully balanced by soft, savoury tannins and delicate acid profile. A medium bodied shiraz that can be enjoyed with a variety of cuisines.

Date Picked 9 – 18 February 2015 | **Date Bottled** 28 July 2016

Alc 13.5% | pH 3.52 | TA 6.54 g/L

THE STORY OF THE HUNTER VALLEY RANGE

Our Hunter Valley range is quintessentially Tyrrell's and quintessentially Hunter. It showcases the key varieties of the region – Semillon, Chardonnay and Shiraz.

This range is made to the same high standards and style as our *Winemaker's Selection* Vat 1, Vat 47 and Vat 9, in essence making our Hunter Valley range the 'baby brothers' of these three iconic wines.
