

# Lost Block

## CABERNET SAUVIGNON 2014

The Lost Block range was born when an impending storm forced the Tyrrell's vineyard crew to abandon a prized block of Hunter semillon to pick less storm resilient grapes. The 'lost' block was eventually picked days later and the Tyrrell's winemaking team were so impressed with the characters of the finished wine, it was decided to give the wine a label of its own.

Over the years the range has expanded to include wine from some of Australia's best known regions, each crafted in a 'drink now' style - soft and approachable with the same fresh, vibrant fruit characters that made Lost Block Semillon such a success.

### WINEMAKER'S NOTES

Sourced from our Limestone Coast vineyard, the Cabernet Sauvignon was harvested, crushed and chilled before being transported in the cool of night to Tyrrell's winery in the Hunter Valley for fermentation in a mix of new one to two year old both open vats and potter tanks. After fermentation the wine was matured in a mix of new one and two year old French oak barriques (225L) for roughly 12-15 months before being bottling. Alc 14.0%

### TASTING NOTES

Lifted nose of dark berry/cassis fruit, with some clove spice. The wine is vibrant purple in colour with a soft fleshy palate texture, which is driven by fresh fruit flavours which are balanced by silky tannins.

### SERVING SUGGESTIONS

This wine is a perfect as a pre-dinner drink or as an accompaniment to pasta, pizza and red meat dishes.
