

TYRRELL'S WINES

Australian Family Owned Since 1858

SINGLE VINEYARD LUNATIQ SHIRAZ 2014

Vintage Conditions A typical warm dry summer leading into a cool harvest period. Good leaf to ripen the 2.5 tonne per acre, harvest started on the 14th March and ending on the 26th March.

Winemaker's Notes The two original blocks, planted in 1994 and 1995 from the same local vine material, are the source of Lunatiq as they have the most concentrated fruit characters. The grapes were picked then transported to the Hunter Valley for vinification. For the first time using 20% whole fruit in the ferment for that extra layer of complexity. Fermented in small 3–4 tonne open vats and matured in 25% new, high quality, tight grain French oak barriques. Finished ferment in-barrel to enhance wood integration.

“...one of Australia's unique and exciting red wine regions”

Tasting Notes

A classy and polished wine, coming from our very best parcel of Heathcote Shiraz each year – always from the two original blocks. The nose is very exotic with dark fruit, spice, and also hints of dark chocolate. The palate is all about precision, with the powerful fruit characters still very much tightly coiled, and the oak sitting in the background, not dominating. A powerful wine that shows great poise and which will age gracefully over many years.

Date Picked 14 March 2014 | **Date Bottled** 17 June 2016

Alc 14.5% | **pH** 3.49 | **TA** 7.10 g/L

THE STORY OF THE SINGLE VINEYARD RANGE

The same soil, same rainfall and same temperatures of a single vineyard produce a consistency of flavour throughout the wine. Our Single Vineyard wines are only made in years when nature contrives to produce fruit of such outstanding quality that our winemakers will set parcels aside to be separately bottled.

Heathcote is one of Australia's unique and exciting red wine areas. Its unique topography provides the combination of climate and ancient soils to produce Shiraz that are fully ripe with white pepper character, excellent acidity and fine grained tannins.
