#### JO'S WINEMAKING / VITICULTURE

The fruit for the La Vue Pinot Gris was sourced from premium grape growing regions in Victoria, which are perfect for the growing of good quality Pinot Gris. The grapes were harvested during the cool of the night to maintain fruit freshness and gently pressed to minimise phenolic characters. The wine was fermented in various parcels with extended lees contact to build structure yet retain good fruit balance.

#### JO'S HARVEST NOTES

The best way to describe vintage 2016 is fast & furious! There was no orderly ripening of fruit, no luxury of white fruit followed by red fruit, it was like the flood gates opened and everything just rolled in at once. Again we had little rain and a very hot spring leading up to harvest, which meant things ripened faster than normal. Optimum flavours and ripeness came on more quickly than previous years and the only way around it was to pick as fast as we could. Thankfully we managed to juggle our way through it, and now quality looks good with a couple of very special parcels that I have tucked away for a rainy day – just Don't Tell Gary....

#### JO'S WINE DESCRIPTION

Sourced from premium grape growing regions in Victoria, this wine shows a slightly blush colour due to the juice having extended contact with the grape skins. This has produced a complex, textural and slightly savoury Pinot Gris with aromatic nuances of pears, lychees and exotic spice. Hints of spicy pear and red apple appear on the palate.

#### JO'S FOOD MATCHES

Chilli squid and freshly shucked oysters or pan fried salmon with warm chilli lime sauce.
