MARGARET RIVER

2015 CABERNET MERLOT

Appellation: Margaret River

Varietals: 56% Cabernet | 39% Merlot
3% Petit Verdot | 2% Shiraz

Closure: Screwcap

Alcohol: 14.5%

Winemaking notes: Fruit from a number of different vineyards across the Margaret River region were fermented in stainless steel with selected parcels of Cabernet Sauvignon receiving extended maceration in open fermenters to soften the tannins. A yeast strain, isolated from France, was selected to enhance the flavour, aroma and complexity of the final wine. The wine was pressed off skins and matured using French oak.

Oak: Predominantly French.

Cellaring: Enjoy now or cellar for 5 -8 years.

Appearance: Dark ruby red core with a cherry red hue.

Nose: A lifted bouquet of dark plums and red berries are combined with herbaceous notes of eucalypt, nutmeg, mocha and cedar oak.

Palate: Mouth filling flavours of ripe dark plums and sweet blackberries are balanced with nutmeg and vanilla spice. Silky smooth, yet firm tannins add great length to the finish of this medium bodied wine.

Food Pairing: Rosemary braised lamb shanks simmered with garlic, tomatoes and red wine; served with polenta.

Allergens: Contains Sulphites. Fined with the aid of egg and skim milk products. Traces may remain.
