2016 Stock's Hill McLaren Vale Sauvignon Blanc Semillon

Winemaker's Notes

For this fresh lively crisp white we selected parcels of Sauvignon Blanc from our OTC and Katunga vineyards in McLaren Vale, with the Semillon parcel chosen from the high altitude, cool climate Montara vineyard in the Adelaide Hills.

The bouquet exhibits fresh lemon sorbet, grassy herbaceous notes and gooseberry. These aromatics continue on the palate, which are enhanced by subtle citrus, passionfruit and crisp snowpea. This lively vibrant wine is well balanced, with natural acidity and long flavoursome finish. An ideal accompaniment for all seafood and poultry dishes.

Geoff Johnston
