

TUCK'S RIDGE
TURRAMURRA CHARDONNAY 2013

Tasting note

The nose displays many of the elements typical of the Turramurra vineyard, such as lemon, grapefruit and nectarine complemented by spicy oak. The lemon bridges into lemon curd on the palate, which has great drive and attitude, finishing with a little crème brulee.

95 points - Outstanding - James Halliday Wine Companion 2016

'The main chardonnay clone in Southeastern Australia is I10V1, a tired and true performer; the wine is very expressive and lively, with juicy white peach and grapefruit in tandem, the french oak well balanced and integrated.'
