**WINEMAKERS NOTES**

The colour is a very pale straw with green tinges. The aroma is wonderfully intense and attractive. It shows grapefruit, lemon, green capsicum and some melon fruit. The palate has a beautifully textural mouth feel, full of flavour. Good acidity brings the palate together finishing on a fresh melon note.

**VINTAGE INFORMATION**

The 2013 vintage was a welcome return to a fairly 'normal' vintage after the extremely low yields of 2012 and record wet of 2011. We had good winter and spring rains and only a small reduction in yield across a few varieties. The ripening period had a small heat 'hiccup' but the vines made it through unscathed and ripening continued extremely well enabling us to pick at full flavour ripeness.

**WINEMAKERS**

Geoff Merrill & Scott Heidrich

**TECHNICAL DETAILS**

**Variety** Sauvignon Blanc

**Growing Region** McLaren Vale

**Harvest Date** February 2013

**13.5% alc, pH 3.29 g/l, TA 6.0g/l, RS 1.9 g/l**
