

2016 White Label Late Harvest

The Alkoomi vineyards and winery are located in the Frankland River district of Western Australia's Great Southern wine region. The name is taken from local aboriginal dialect and means 'a place we chose' and the logo represents the unique and distinctively Australian Grass tree, *Xanthorrhoea preissii*. The first plantings were in 1971 and the region's long, cool ripening conditions are perfect for growing fruit of intense varietal character.

Winemaking

The fruit was harvested in the early hours of the morning, preserving the delicate varietal flavours that define this cool climate, aromatic wine. All fermentation was carried out in stainless steel, at cool temperatures to preserve the freshness and vibrancy of the fruit. The wine is composed of a careful blend of Semillon, Verdelho and Riesling.

Vintage

A dry Winter and fleeting Spring was followed by a warm growing season with welcome rainfall in December and January leading to full, healthy canopies enabling excellent yields and great flavour development.
