## 2014 Teroldego

### South Australia

**Story:** Until recent times Teroldego was found exclusively in the Trentino region of Italy. It has a long, fascinating and well-documented history. Now that we have managed to pry a few cuttings from the hands of passionate Trentino producers, the 'Lucky Country' seems a likely place for this variety to flourish like the many talented Italian immigrants that have come before it.

**Vintage:** 2014 was a challenging vintage, but it was very interesting to see the vines' methodical reactions to make use of whatever was thrown at them. We were lucky with the timing of the heat and rain - the grapes were still early enough in their ripening cycle to not be hugely affected by the heat and then the rain in mid-February provided a well-earned reprieve.

**Nose:** The nose offers sweet aromas of cherries and blueberries with notes of purple fruits and rhubarb.

**Palate:** The palate is bright and vibrant with cherries, raspberries and boysenberries, finished off with great acidity.

**Pairing:** Try with soft shell blue swimmer crab in a tamarind sauce.

**Cellaring:** Drink now or to 2022
