BACKGROUND

First planted by founder, Nick Holmes, over 30 years ago, Shottesbrooke takes its name from an estate in Berkshire, England, where Nick's grandfather was vicar of the parish from 1905 to 1926. Today, Shottesbrooke is proudly an estate grown and managed boutique winery.

The first title-holder to the land now owned by Shottesbrooke was Edward Harris, who purchased the land from the Crown in 1847 at £100 per acre. On his death, the property passed to his daughter Eliza, and on this part of the original title, now called "Eliza's Vineyard," our Reserve Shiraz is grown in recognition of its pioneers.

Vineyards

We select fruit for this Shiraz from an individual patch of vineyard on our McLaren Flat property, planted in 1994. The soil is deep sandy loam of moderate fertility and produces low yields of high quality fruit. Limited irrigation ensures the grapes reach full maturity in prime condition. These vines are pruned in order to produce these low yields, which then fluctuate slightly based on seasonal variation.

Winemaking

The grapes for this wine were picked in early March at optimum ripeness and immediately crushed and destemmed. The ferment was maintained between 22-25C and once at its peak, the grapes were pressed to new hogsheads to allow the wine to finish its ferment in oak. Malolactic fermentation was completed in the same barrels before racking twice over the next 19 months prior to bottling.

The 'Eliza' Shiraz is only released in years of exceptional quality.

Tasting Notes

Colour	Deep red with a bright purple hue	
Nose	Aromas of brooding dark fruit and savoury, spicy oak.
