## 2023 Hunter's Semillon

**Origin:** Hunter Valley, Australia

### Technical Data

Alcohol: 10.3%

pH: 3.04

TA: 6.8 g/L

RS: 3.5 g/L

### Tasting Note:

In the Hunter's Semillon, we aim for intensity of flavour, balanced acidity, and early drinking appeal. The current vintage offers bright lime and lemon zest on the nose, with a flavoursome palate framed by crisp acidity. The Hunter's Semillon is designed to be enjoyed as a young wine, or after 3 - 5 years in the bottle.
