VINTAGE 2014

Similarly to vintage 2013, winter started well – good rain followed the autumn break, with rainfall back to average levels. Spring rainfalls started well but tapered off with vineyard managers irrigating at budburst and through to the end of vintage. The season looked particularly promising until a late severe frost in mid-October hit delicate young growth in many of our low-lying plains vineyards away from the water and native tree cover of the Tahbilk billabongs.

Spring was followed by another very hot, dry summer that resulted in an early start to the harvest with the last of the reds off by the end of March. Despite the hot, dry summer the whites have delicacy, crispness and definite varietal character. The reds show bright primary fruit, with good depth and concentration and distinct individual vineyard characters.

ABOUT THE WINE

Established in 1860, Tahbilk is located in the premium central Victorian region of Nagambie Lakes. Purchased by Reginald Purbrick in 1925, his son Eric took over management of Tahbilk in 1931. Heading the winemaking for over 40 vintages until handing over to his grandson Alister in 1978, Eric was one of the early pioneers of varietal labelling in Australia and continued to be a strong influence in the direction of the Estate until his passing in 1991. Perhaps his greatest contribution to Tahbilk was to create the 'Special Bin' Shiraz in 1948 which was to be made, and continues to be made, from the best vats of a particular vintage. In 1952 a 'Special Bin' Cabernet Sauvignon was added to the range with both releases becoming known as 'Reserve' in 1985.

In recognition of his achievements, these 'best of a vintage' wines now carry his name and signature ... *Eric Stevens Purbrick*.

TASTING NOTE

"Our very best Estate Cabernet Sauvignon from the 2014 vintage is impressive indeed. Velvety smooth with delicious blackcurrant/cassis, spice and plum fruits, there are varietally distinctive eucalypt notes and liquorice undertones all framed by classy cedary French oak characters and persistently fine tannins delivering a wine true to its distinguished heritage. Set apart by its replica 1870s label, there is further complexity to be gained with extended cellaring. Enjoy Now to 2025/2030"
