

2018 GRENACHE ROSE'

WATERVALE VINEYARD

VARIETY	100% Grenache

VINTAGE	The 2017-2018 growing season was a contrast to the 2016-2017 growing season. Whilst 2016-2017 delivered extensive rains and plentiful yield, 2017-2018 delivered the converse, reduced soil moisture reserves that ultimately led to reduced yield, but provided periods of mild vine stress and high quality fruit. The final pick for 2018 was our 1940's old vine Grenache on 2nd of May.
