

# PIRRAMIMMA

EST 1892

## *Digby McLaren Vale Old Tawny Port*

### **Winemaker's Notes**

At Pirramimma we maintain the tradition of ageing our tawny port through a solero barrel maturation system. The foundation of the blend dates back to the 1960's when Digby Johnston, then winemaker, made the base wines. Each year the base wine is blended with our best tawny outside the blend to make up our famous Digby Old Tawny Port. The base is then topped up with the next oldest blend and so on. This tradition ensures the quality is always consistent and will improve over many years. This continual blending also ensures the overall blend is vibrant in colour whilst maintaining wonderful aged characters.

The richly flavoured wine was produced from fully ripened Shiraz and Grenache grapes and after fortification with brandy spirit was matured in small oak barriques for many years before final blending prior to release.

**Geoff Johnston**

### **Wine Particulars**

Appellation:	McLaren Vale, South Australia
Vintage:	NV
Alcohol:	18.5% v.v.
Acid:	6.4 gr/litre
pH:	3.40
Residual Sugar:	138 gr/litre
