

2015 ANTONINA RIESLING

PREMIUM POLISH HILL RIVER RIESLING

VARIETY	100 % Riesling	
FRUIT SOURCE	The fruit comes from our vineyard that runs adjacent to our other premium "Andreas" Shiraz. The fruit is picked at the coolest time of the day and monitored by our winemakers to ensure only the best fruit is included. The fruit is de-stemmed and drained taking only the best and finest juice to give us a small but top class production that encapsulates all that was planned.	
VINTAGE	2015 Vintage was almost certainly the earliest and shortest on record, both yields and quality have been above average in most circumstances. A dry and mild spring lead into a mild early summer and it wasn't until February that 'normal' summer conditions really emerged. A very welcome 75mm of rain was received in the second week of January, and this certainly assisted in filling out berry size and maintaining good canopy and leaf condition which in turn really helped bring the vintage to a better-than-expected conclusion.
