

DADÁ

DE FINCA LAS MORAS

Malbec

Malbec (100%)

Region: Tulum Valley San Juan, Argentina

The Dadá artist produces human attitude, life-style, a conscience of the path towards the new and the spontaneous creation of the art piece. In the artistic conception the creator is as important as the receptor who completes the art piece with his own experience.

Notes: Purplish red Malbec with fruity aromas of Cherries and ripe plum. Its contact with medium toasted American Oak produces vanilla and cacao flavors with well-integrated silky tannins. Everything you were looking for in a wine but hadn't yet figured it out.
